

Top tips for improving your profile

Make the most of your [SearchChildcare](#) listing by following our simple tips:

Picture perfect

Choose photos that are well lit and show the main features of your setting, this will give parents the best first impression.

Inspectorate report

If you have one, link to your Ofsted or CIW report from SearchChildcare, saving parents time and giving them peace of mind.

Paint a picture

Enter a description of your setting and the service you offer. Mention key features such as opening hours, extra activities, resources or staffing.

Options

Highlight your payment methods, funded options and availability. You can even add fees if you wish.

Contact details

Up to date details ensure you receive important updates, plus enquiries from prospective parents.
