

Full 12-hour Paediatric First Aid course (In-house)

This innovative course blends one day of face to face practical training at your setting, with six hours of e-learning. We use the latest training techniques to maximise recall and provide learners with the skills, knowledge and confidence to act effectively when paediatric emergencies arise.

Content

Stage 1

One day of tutor-led practical training in your setting, at a time and date of your choosing, covering:

Planning for Emergencies / The Primary Assessment / Resuscitation CPR / Recovery / Choking / Seizures / Meningitis / Asthma / Allergies / Shock / Bleeds & Minor injuries / Burns / Fractures / Head injuries / Spinal injuries

Stage 2

Learners access their six hours of interactive e-learning and study the following:

Recap of the Practical Training Day that took place at your setting / Croup / Sickle Cell / Diabetes / Poisons / Bites and Stings / Electrical Shocks / Drowning / Extreme Temperatures / Final Assessment
